### Sweet and spicy satay

Let's try a little Thai as we introduce you to the subtle spices that make world famous flavour. We are going to use chicken, but if you want to swap it for something else go for it. Tofu, prawns, pork and beef work well.

As it soaks in those lovely flavours, we'll make a peanut sauce to dip them in and some jasmine rice.

Best suited to primary school and younger high school children

Please note this an interactive Zoom cookery session from the comfort of your own kitchen.

We'll send a shopping list and tell you what equipment you'll need one week before your session. They will be standard kitchen items you would normally find at home. We'll also send you the recipes and a work plan. The recipes will serve two; for the sake of your classmates and fluency of the session, please don't attempt to cook more than two portions.

The day before your event we'll send you a ZOOM invite, so make sure you have the app downloaded.

At the agreed time, we'll fling open our kitchen doors and let you in so we can cook together!

It's one ticket per person and places are limited so that everyone gets the most out of the session and the opportunity to ask questions.
